PEAR · ORANGE · PINEAPPLE

Raspberry coulis

Fruit selection

✓ Our experts have tested and selected fruit varieties according to their original qualities.

✓ The IQF fruit is picked when fully ripe then cut and frozen immediately, to preserve all its qualities.

✓ To make purées used in the coulis, the fruit is refined taking into account its natural profile then the right amount of sugar is added to preserve all the flavour.

Origin and variety

PROOF OF THE QUALITY AND UNIQUENESS OF OUR RECIPES

South African citrus

Kent mango

Mecker raspberry

Canada blueberry

Williams pear
